Synopsis :

Frustrated by new concepts on history-taking and physical examination? Has the book 'Bate's Guide to Physical Examination' overwhelmed you? Test your ability to score on actual examinations by doing the Bate's Guide to Physical Examination Test Bank. Learn from the rationales of both correct and incorrect answers and score high guaranteed on your real classroom exam! Reinforce concepts and learn how to answer critical thinking questions just like how your professors do it! Learning history taking and physical examination can be an overwhelming task especially for nursing students. There are so many new concepts, and each body system to be examined seems like an incredible task when learning it from the Bate's Guide to Physical Examination book. But taking assessments per chapter of the book is a sure way of learning one step at a time. Doing this test bank lets you know if what you know is enough. Acing it, on the other hand, tells you confidently that you are indeed prepared to sit for the real exam, even the NCLEX. The Bate's Guide To Physical Examination Test Bank is a collection of multiple choice questions that are professionally created to evaluate student nurses' understanding of physical examination. It tests on their knowledge of doing history-taking and physical exam per bodily system, and also their ability to use these concepts in answering situational problems. Moreover, the test bank comes with rationales that provide detailed explanation for every correct answer. This further reinforces new concepts and very importantly, critical thinking skills. The Bate's Guide To Physical examination Test Bank is a guaranteed helpful tool in helping students pass examinations. It is highly recommended for students to accomplish this test bank in order to achieve a high score in actual examinations.
