Synopsis :

Are you taking the IELTS exam? Do you really understand the Speaking Test? Do you know how the different parts of the speaking test work, and do you have strategies to get the best possible score in each part? Do you know how to analyse the questions, how to structure your answers and how long you should speak for in each part? Can you answer 'ideas' questions and 'opinion' questions in the way the examiner wants? It is essential to understand these strategies and many more if you want to get the best possible result in your IELTS speaking test. This book explains how the test works, what the examiner wants to hear, and gives you strategies to organise your answers rapidly and effectively. It has many model answers from candidates speaking at Band 9 level, so that you can see what is possible. It has activities for you to practise our speaking strategies and compare to the Band 9 examples, including 2 complete model speaking tests for you to use. Even if your English is not perfect, you can transform your IELTS Band score by using the methods in this book.
