Synopsis :

Review "Matthew is a genius whose magic needs to be shared with the world. His incredible understanding of love and relationships makes him the absolute best love guru! This book is a necessary tool for anyone looking for love." (Eva Longoria, actor/producer) "No crazy gimmicks, no pretending to be something you're not. Just intelligent, empowering advice." (Nikki Bayley, Glamour Magazine) "Matthew's methods are working... Those who would previously never dream of going up to a man are hunting them down in double figures. Phone numbers are collected like the spoils of victory... [We become] an army of women from whose charms no man is safe." (Emma Messenger, The Daily Mail) "A practical guide to understanding a man's point of view about love and romance and how a woman can optimize self-esteem and integrity to find the love she deserves." (Judith Orloff, MD, New York Times best-selling author of Emotional Freedom) "This works, period. No sugar-coating, no gimmicks, no cheesy lines: Matt's advice is practical, sometimes blunt, and most importantly, effective. You WILL get the guy after reading this, end of story!" (Louise Roe, fashion journalist, TV host) "If you buy this book, you have an unfair advantage over men, and that's just wrong." (Bill Rancic, entrepreneur, devoted husband) "Whether you're in a committed relationship, or you've had little luck with men, this book will unravel your man-mystery and put you in control, which seems fair to me, no matter what my husband says." (Giuliana Rancic, TV host, devoted wife) Read more From the Back Cover A good man is hard to find... Finding a partner often feels like an awful lot of work for very little reward. The relationship expert Matthew Hussey used to feel the same way. So he did some field research, taught himself to meet the women he was looking for, and built a business coaching other men to improve their love lives. And now he's sharing his insights with you. It turns out that men and women want the same thing: a lasting, meaningful relationship. Matthew says that finding 'the guy' isn't just about finding 'a guy.' It's about creating a life with someone who engages you at every level. In Get the Guy, Matthew shows you how to be proactive in your love life so that you can meet, talk to, and win over the guy who's right for you—without playing games. After reading this book, you will not only get the guy, but you'll actually get him. You will understand how men think and what they're looking for. Attracting the right guy is about being confident in who you are and the value you bring to the table—so you can find a guy who's as great of a catch as you are!
