## Synopsis :

Review After years of managing projects, I did NOT look forward to preparing for the PMP exam. I was convinced the process was going to be tedious and overwhelming, but I was pleasantly surprised when I opened PMP Exam Prep! From the beginning of the book through the end, I actually ENJOYED my study experience reviewing concepts from a different perspective, learning how these concepts might be asked on the exam, and picking up lots of new tips and techniques to use on my real-world projects. This book made the certification process not only fun, but extremely valuable in my day-to-day job. I wish I had found this book earlier in my career! Barbara A. Carkenord, PMP, CBAP --International Training Expert and Founder of B2T Training Read more About the Author Rita Mulcahy, PMP, was an international expert in project management Tricks of the Trade and best practices with over 15 years and \$2.5 billion of hands-on experience. During her career, she directly taught tens of thousands of project managers from around the world, and prepared them to pass the PMP exam. Rita spent 7 years as a PMI chapter officer, speaking at PMI Global Congress, Project World, and PMI's International Project Management Symposium to standing room only crowds. Rita was the founder of RMC Project Management, a project management training, consulting and speaking firm helping companies use project management tools and techniques to complete projects faster, cheaper, better, and with fewer resources. RMC Project Management was among the first training firms to ever receive Registered Education Provider (R.E.P.) status from the Project Management Institute.
